

Institute for Neurofunctional Psychology (INP)

Educational Disclaimer

The Institute for Neurofunctional Psychology (INP) is a nonprofit educational and research organization. All content, programs, trainings, publications, and resources provided by INP are for educational and informational purposes only.

INP does not provide medical, psychological, psychiatric, or therapeutic services. INP does not diagnose, treat, or cure any medical or mental health condition. Participation in INP programs does not create a clinician–patient or therapist–client relationship.

The information presented is intended to support learning, awareness, prevention, and skill development related to emotional intelligence, nervous system education, and human development. Individuals seeking medical or mental health care should consult appropriately licensed professionals.
